Sending a board or a part back to Miami? Upload the LGA the Guest Administration Officer gave you and the details fill in. No LGA (Azamara, or the document is not to hand)? Type them. Then tell us which part it is — the shore team will know what is coming and when.

1 Who & which ship

Your name * https://order.cims.

Company * Celebrity Cruis

Ship * Edge

Vessel copy → eg_printer@celebrity.com

2 The LGA

Landed Goods Advice — PDF from the GAO

Drop the LGA PDF here or tap to choose it

We read the LGA number, port, date, agent and weight for you.

Could not read lga_number, ship, port_landed, date_landed from this file — fill in the missing fields below.

I don't have an LGA — type the details

Send to Miami

Everything is in. One email goes to Ray's team and a copy to your ship.

1 **Board**
A circuit board out of a machine. We need to know which machine.

2 **Part / other**
Any other part, consumable or tool.

1 Boards Remove boards

Reason *
Board for repair or excha

Machine it came out of *
Machine #1 · C4070 · AC!

Board *
Search the boards in the catalogue — or type the name printed

Each board you add is tied to the machine selected above. Change the machine, then add the next board.
